## THANK YOU FOR CHOOSING GANIM'S JUNO BEACH CAFÉ

Hello and Welcome! We are honored you chose Juno Beach Café!

If you're new to JBC, I want to introduce my family to you! My parents, Don and Mary Ann began this amazing business, Juno Beach Cafe in 1998 after owning Ganim's Kountry Kitchen in Key Largo since 1989.

My parents have three daughters, Christine, Stephanie and me, Terri. Among the three of us we have given them 7 grandchildren ranging from ages 10-21! My two sisters live in Key Largo and Islamorada with their families and I live in Jupiter with my husband and two kids. My niece, Angelica, decided to move out of the Keys and into the family business and we are so happy and proud to have her!

So let me tell you about my great uncle, Uncle Eddie! Uncle Eddie owned eight pancake houses in and around Great Falls, Montana in the 1950's and sixties. Many summers my dad would visit Uncle Eddie and began learning the restaurant business. He let my dad mix the pancake batter, but only Uncle Eddie would prepare the secret ingredients he called the "dynamite." Years after Uncle Eddie's passing, my dad acquired his famous pancake recipe and JBC continues to honor him by proudly serving his 65-year-old+ pancake recipe, affectionately known as "UEPs!"

So many great things happen at JBC! College students come back and tell us that they've been coming in since they were in utero and we love hearing that! I call them "Café Babies!" We've had so many customers sit here eating the UEPs trying to guess the ingredients and it's so entertaining to watch! We have our local famous golfers, retired sports figures, owners of major corporations, local celebrities and our "regulars." To all of us you are just our awesome guests and we truly appreciate your business!

We have been so blessed and God continues those blessings on us everyday. We are grateful for all our guests who have been with us for many years, those guests whom we meet daily and greatly miss those who have gone before us. We ask God, and now our amazing Mother whom we lost in July, to watch over you and your families during your travels and we look forward to the next time we meet.

Please be safe and healthy! We hope you enjoy the experience!!

Terri and Keith Anderson  
Owner/Operator
